- Surfaces of floors in the workplace, passageways, storerooms, and service rooms shall be kept in good repair, free from holes, splinters, and loose boards so that they may be kept clean and safe.
- Aisles and passageways shall be kept clear. There shall be no obstruction across or in aisles that could create a hazard.
- Mats, gratings, or other non-slip materials shall be used in wet areas or other locations where the walking areas can become wet.
- Floor openings shall be guarded by either a standard railing on all exposed sides or covered to standard strength.
- Any deficiencies should be reported to Facilities Management for repairs.
